WINE THIEF

1913 Vintage Cocktails

Inspired by the quote "No mixed drink is perfect unless the ingredients used are perfect" from Jacques Straub's 1913 classic "Drinks", Mixologist Adam Seger takes his signature fresh, seasonal, locally sourced approach to the Pre-Prohibition style cocktails for the Historic Omni Severin Hotel which was founded in 1913. Seger brings to classic drinks a sense of balance and quality that are a delight to enjoy.
