# WITH WITHOUT SALT

The Margarita, also the Spanish word for daisy, evolved from the classic cocktail by the same name. The Daisy, which combines brandy, orange liqueur, lemon juice and sugar, was served up as the “Sidecar” during Prohibition. Soon after it grew popular in Mexico, where tequila was substituted for brandy, lime juice for lemon, and the rim was salted instead of sugared.

# STIRRED TO SHAKEN

While the origin of the martini is unknown, it dates back to the late 19th century when many variations used gin and vermouth. Today's martinis use premium vodkas, gins and vermouths. Our martinis are stirred, not shaken, to properly combine the ingredients while limiting dilution.

## WHISKEY OR RYE

Created in the 1870s, the original Manhattan was made with rye whiskey. Today there are many varieties of whiskies, from small batch rye to traditional bourbon, with distinct flavors that we carefully pair with unique vermouths and bitters.
