

# The Art of Breakfast

Omni Hotels believes breakfast should be the inspiring start to your day. So we are committed to providing a culinary experience which tempts your palate and stimulate your senses. Yet our breakfast also nourishes on another level in terms of the products we have sourced. Our specialty bacon and sausage is of the highest quality. Our bagels are from the famous H&H Ovens in New York City. The cereal selection includes organic choices. Our morning tea features whole-leaf teas and rough cut herbs in silken infusers from Tea Forte. We proudly brew Starbucks Serena organic coffee.

Welcome to the Art of Breakfast - to inspire, satisfy, and enrich your day.
