

Welcome to the Art of Breakfast - to Inspire, Satisfy and Enrich your day

Omni Hotels believes breakfast should be the inspiring start to your day. So we are committed to providing a culinary experience which tempts your palate and stimulate your senses. Yet our breakfast also nourishes on another level in terms of the products we have sourced. We serve farm fresh eggs that are hormone free. Our old style specialty bacon and sausage is also humane-certified and contain no antibiotics, hormones or other additives. Our bagels are fresh from New England ovens. The cereal selection includes organic choices. Our morning tea features whole-leaf teas and rough cut herbs in silken infusers from Tea Forte. And we proudly brew Starbuck's Organic Shade Grown coffee.
