rewards program  
with the one  
thing you've  
always wanted.

# More choices.

The Omni Hotels Select Rewards program, a rewards program that gives you the broadest range of rewards. With the Select Rewards program, you have the option of keeping the reward for yourself or your organization, or donating it to meeting attendees for raffles and prizes. Pick the reward that best suits your organization – from miles to points to weekend getaways to educational opportunities and aid to charities.

Select your reward and a recipient. It's like choosing from a box of chocolates.
