

THE
ART OF
WATER

one sweet summer

Our love affair with honey began long before “nature’s sweetener” was named 2015 Flavor of the Year. What started as an experiment in beekeeping at one Omni hotel, quickly spread to an obsession among our chefs.

This summer, we invite you to enjoy our special honey-inspired menu. Taste sweet or savory bites and sip “liquid gold”-infused cocktails, all designed to delight your taste buds and refresh your palate as you soak up the sun.

This menu was created in partnership with the National Honey Board; Chef David Guas, author of “Grill Nation,” host of Travel Channel’s “American Grilled,” and Chef/Owner of Bayou Bakery, Coffee Bar & Eatery (Arlington, VA and Washington, DC); and Master Mixologist Kim Haasarud, James Beard-honored mixologist and accomplished author.
