The Art of Breakfast

Omni Hotels believes that breakfast should be a stimulating and healthy start to your day. So we are committed to providing a culinary experience that tempts your palate and challenges the traditional breakfast fare. Combining national trends with regional flavors we have sourced farm-fresh eggs, organic fiber-rich cereals, steel-cut oats, gluten-free breakfast breads. Our morning tea features whole leaf tea and rough-cut herbs. And we take great pride in our coffee which is directly sourced from the farmers and roasted with the highest standards.
