

# Charting New Territory

Omni Flavor Origins is our new menu concept that groups cocktails according to their flavor profiles. Fruit, Botanical and Earth are all represented, and the styles of cocktails move from light & refreshing to strong & aromatic, and from comforting to adventurous. A cocktail flavor chart is also provided for those looking to experiment and explore. Whether you are looking for something new or familiar, our aim is that your cocktail discovery is fulfilling and fun, all in one.

## FLAVOR ORIGIN COCKTAILS

### Fruit

### Botanical

### Earth
