

## art of breakfast

omni hotels believes that breakfast should be a stimulating and healthy start to your day. so we are committed to providing a culinary experience that tempts your palate and challenges the traditional breakfast fare. combining national trends with regional flavors we have sourced cage-free eggs, non-gmo organic fiber-rich cereals, steel cut oats, signature blueberry maple sausage patty and a cilantro green chili sausage that does not contain hormones or other additives while also catering to a gluten free diet. our morning tea features whole leaf teas and rough cut herbs in silken infusers. and we take great pride in our coffee which is directly sourced from the farmers and roasted with the highest standards.
