THE ART OF WATER
This summer, it’s all about the avocado. We’re obsessed with the vibrantly green fruit in all its creamy, buttery, irresistibly-smooth glory. So much so, we’ve partnered with Avocados From Mexico to bring our guests a poolside menu that features the avocado in surprising new ways.

With over 30,000 orchards in Michoacán, Mexico blooming avocados year-round, there are endless ways to utilize this wonderfully abundant ingredient. Whether it’s grilled, fried, sliced or diced (or perhaps even blended into a cocktail) – one thing is for sure: Omni’s culinary team had a lot of fun crafting this menu – but you’ll have even more fun savoring these tasty creations!

Plus, Avocados From Mexico contain nearly 20 essential vitamins and minerals and 0 milligrams of cholesterol – so they’re heart-healthy and delicious. Need we say more?

Join us in celebrating the avocado all season long at Omni properties nationwide.
