dickel tennessee rye, simple syrup,
angostura bitters, orange twist, cherry

“there is no bad whiskey. there are only some whiskies
that aren’t as good as others.”

- raymond chandler

WHAT IS WHISKEY, RYE & BOURBON

In the world of distilled spirits, there is a lot of confusion about whiskey and the different styles of whiskeys. Whiskey is a broad term much like the word beer.

While beer may have a number of styles like pilsners, India pale ales and hefeweizens, whiskey encompasses a range of styles from bourbon to rye to Canadian to Irish to Scotch and more.

WHISKEY OR WHISKY

a distilled spirit that can be made from a single grain or any mix of cereal grains, including corn, barley, wheat, rye or spelt. It has to at least touch oak, but there is no specific age requirement

BOURBON

american whiskey made from at least 51% corn and aged in charred new american oak barrels

RYE

made from at least 51% rye and follow the same rules that apply to making bourbon

Whiskey & Rye

Featuring Over 170 Whiskies....

- thomas turner

WHAT YOUR NEIGHBORHOOD BAR ONCE WAS...

After the arrival of the Texas and Pacific Railway in 1876 launched a local economic boom, Fort Worth was soon the favorite destination for hundreds of cowboys, buffalo hunters, railroad workers, and freighters eager to wash off the trail dust and enjoy themselves.

A large number of saloons and dance halls opened between the Courthouse Square and the railroad depot, and this section of Fort Worth became known as Hell's Half Acre.

Famous gamblers Luke Short, Bat Masterson, and Wyatt Earp, and outlaws Sam Bass, Eugene Bunch, Butch Cassidy and the Sundance Kid are known to have spent time in Hell's Half Acre, adding to Fort Worth's reputation as a rowdy frontier town.

Today, Whiskey and Rye is renewing part of this culture to offer you, the guest, a similar experience... a great place for meeting old friends or making new ones. Although now, we require you leave all guns and horses on the ranch!
