

WELCOME TO WHISKEY & RYE

In the world of distilled spirits, there is a lot of confusion about whiskey and the different styles of whiskeys. Whiskey is a broad term much like the word beer. While beer may have a number of styles like pilsners, India pale ales and hefeweizens, whiskey encompasses a range of styles from bourbon to rye to Canadian to Irish to Scotch and more.

WHISKEY OR WHISKY

A distilled spirit that can be made from a single grain or any mix of cereal grains, including corn, barley, wheat, rye or spelt. It has to at least touch oak, but there is no specific age requirement.

BOURBON

American whiskey made from at least 51% corn and aged in charred new American oak barrels.

RYE

Made from at least 51% rye and follows the same rules that apply to making bourbon.

HISTORY OF HELL'S HALF ACRE

After the arrival of the Texas and Pacific Railway in 1876 launched a local economic boom, Fort Worth was soon the favorite destination for hundreds of cowboys, buffalo hunters, railroad workers, and freighters eager to wash off the trail dust and enjoy themselves.

A large number of saloons and dance halls opened between the Courthouse Square and the railroad depot, and this section of Fort Worth became known as Hell's Half Acre.

Famous gamblers Luke Short, Bat Masterson, and Wyatt Earp, and outlaws Sam Bass, Eugene Bunch, Butch Cassidy and the Sundance Kid are known to have spent time in Hell's Half Acre, adding to Fort Worth's reputation as a rowdy frontier town.

Today, Whiskey & Rye is renewing part of this culture to offer you, the guest, a similar experience; a great place for meeting old friends or making new ones. Although now, we require you leave all guns and horses on the ranch.

COCKTAIL FLAVOR CHART

Omni Flavor Origins is our new menu concept that groups cocktails according to their flavor profiles. Fruit, Earth and Botanical are all represented, and the styles of cocktails move from light & refreshing to strong & aromatic, and from comforting to adventurous. A cocktail flavor chart is also provided for those looking to experiment and explore. Whether you are looking for something new or familiar, our aim is that your cocktail discovery is fulfilling and fun, all in one.
