Dear Valued Guest,

Welcome to The Omni Homestead Resort! Our “Omni Safe & Clean” program, which is our extensive cleaning and sanitization protocol, is in place to ensure your peace of mind, safety, and comfort. These protocols were developed in partnership with Ecolab, utilizing CDC registered chemicals and all guidelines meet or exceed the “Stay Safe” initiative set forth by the American Hotel and Lodging Association (AHLA).

Additionally, due to local, state and CDC guidelines, our resort operations are currently limited. Below is a brief overview of our hours of operation for our dining outlets and activities. On the following pages you will find a more detailed list of our dining outlets, retail shops and other amenities and the hours of operation. Please note some areas require advance reservations.

You not only get a sensational meeting, but you can also help us make a meaningful difference in our local communities.

At The Omni Homestead, the health and safety of our guests and associates has always been, and always will be, our top priority. COVID-19 has changed every facet of our world and the way we do business.

In an effort to Stay A Part of Safety, we have updated our already thorough cleaning guidelines and implemented additional processes and procedures to ensure your health, safety and comfort as part of the new “Omni Safe & Clean” initiative. This program follows the guidelines set forth by the Centers for Disease Control and Prevention (CDC) and the Commonwealth of Virginia.
