

THE LOVINGSTON WINERY FLIGHT

Lovingston

'22 Seyval Blanc

Exceptionally clean and crisp with bright acidic notes of lime and lemon and a lovely minerality.
Best served chilled.

'22 Rotunda Red

A great way to experience all the red varietals grown on Josie's Knoll, a gentle red with refreshing fruit notes, soft tannins, and a lingering finish.

'22 Pinotage

Beautiful florals and fruit jump out of the glass and continue on the palate. This light red wine is just bursting with flavor, an exceptional, elegant wine.

'21 Merlot

Purple floral notes abound in the nose as plum and blackberry present themselves on first sip. This elegant and youthful expression of Merlot is ready to drink now and might be difficult to stop at just one glass!

'21 Estate Reserve

75% Merlot, 20% Cabernet Franc, 5% Petit Verdot hand selected from the best French oak barrels in our cellar, this red blend is elegant, smooth, and reminiscent of a true French Bordeaux blend. It will drink wonderfully today but if you have the patience, tuck this wine away for 10-15 years to see what high quality Virginian wine can do over time!
