THE ART OF REST AND RELAXATION.
A SPA EXPERIENCE GENERATIONS IN THE MAKING

The Spa at The Omni Homestead Resort is an oasis of relaxation, rejuvenation and pampering that awaits your arrival. Guests will discover a vast array of treatments and amenities, wellness facilities and programs, salon services and much more.
AQUA THERMAL SUITE

We are proud to introduce the Aqua Thermal Suite, a luxurious collection of European-style healing aquatic environments. While much of the pleasure and efficacy of aqua thermal therapy lies in the comfortable temperature of the various treatments, allowing your body to experience a contrast of hot and cold temperatures is at the heart of these therapeutic offerings. For guests 14 years and older.

EXPERIENTIAL SHOWERS

Enjoy multi-sensory cooling after exposure to heat. Select from three storm experiences: Arctic Mist, Atlantic Storm or Caribbean Storm.

HERBAL COCON

Feel stress slip away as you sit in a heated niche below a starlit ceiling. Your muscles relax as your body gently warms, enhancing the purification and detoxification process.

THERMAL HEATED LOUNGES

Radiant-heated lounges designed to relax your muscles between thermal experiences.

THE CHILL

Deeply inhale the crisp vapor that fills the air, and apply flaked ice directly to the skin to cool your lungs and core temperature.

AROMATIC STEAM

The soothing power of steam opens pores and infuses your senses with the invigorating scent of aromatic essential oils.
Experience the Serenity Garden, an exclusive, adult oasis featuring our renowned mineral springs. From the moment you enter, you will be enveloped in luxury as a welcoming Guest Service Specialist escorts you through the garden, orienting you to the area and available services.

Enjoy the various features of the garden, including our geothermal Octagon Pool fed by two hot springs rich in magnesium, potassium and calcium with a temperature range of 96-97 degrees. These same waters source the naturally pressurized Deluge Shower and the popular River Reflexology Walk with stones carefully placed to soothe and massage the 15,000 nerves in your feet. At the center of the garden is the beautiful blue Infinity Pool, heated to 85-92 degrees and the intimate hot tub which is maintained at 103 degrees. Let your tensions fade away, and your muscles unwind in the Finnish sauna while your body rids itself of toxins.

Any 50-minute or longer massage, facial or body treatment will include a Serenity Garden day pass. Purchase Treasure the Moment, Romance Ritual, Manicure/Pedicure Package or Ultimate Indulgence Pedicure and also receive a Serenity Garden day pass. Guests having any of the above services must still reserve a seat in the Serenity Garden and reservations will be made on a first come first serve basis as space is limited. Passes will be on day of service only.

Guests who wish to enjoy the Serenity Garden without a qualifying service may purchase a day pass which is available Sunday through Friday. Day passes are not available for purchase on Saturdays or holidays.

Food and beverage are not included with a day pass and may be purchased separately. The Aqua Thermal Suite is included with any service or Serenity Garden day pass.

Access to the Serenity Garden is only available to registered resort guests and members. Daily fee applies. Only a limited number of passes are available each day.
