

Narrator: Good evening and welcome. Today we have all the great fortune to be gathered together in the beautiful Commonwealth of Virginia at the heart of the Alleghany Mountains on the grounds of the historic Homestead Resort.

We have all traveled from near and far to celebrate the love they have for each other and to rejoice with them in making this most important commitment of giving themselves to each other for the rest of their lives.

Narrator: They know they are surrounded by those they love the most; many of you, lifelong friends. Each of you has given something of yourself to their lives. Your presence here today, sharing in this moment, in the joy of their commitment to each other, makes this day all the more special to them.
