

A romantic wedding photograph of a bride and groom kissing. The bride is wearing a white, sleeveless, floor-length gown and holding a large bouquet of pink and white roses. The groom is wearing a dark blue suit with a white shirt and a dark bow tie. They are standing on a grassy lawn with a large, leafy tree behind them. In the background, a white building with a green roof and a brick wall with greenery are visible. The scene is bathed in warm, golden light, suggesting late afternoon or early morning.

The Omni Homestead Resort

SOUTHERN HOSPITALITY AND ELEGANT CHARM

AT THE OMNI HOMESTEAD RESORT

A cherished destination for generations of weddings, The Omni Homestead Resort first welcomed guests a decade before the American Revolution. From its modest beginnings in the mid-eighteenth century, the resort has long enjoyed a reputation as a first-class hotel and resort, seamlessly marrying the luxurious accommodations and gracious service of a bygone era with the modern amenities of today.

Gracious service and a seemingly endless array of indoor and outdoor activities have long been the hallmark of The Omni Homestead, which has welcomed no fewer than 22 United States presidents to its prime location in the Allegheny Mountains. Today, the resort invites couples to celebrate the beginning of their new life together on its storied grounds, set against a backdrop of unparalleled natural beauty.

The timeless elegance of this unique Virginia wedding venue is rivaled only by the Southern hospitality and attention to detail with which each and every event is approached. With expansive and flexible event space, including indoor and outdoor venues, you will surely find the perfect space in which to host your dream wedding. Plush accommodations, multiple dining options, and a wide variety of on-site activities make The Omni Homestead ideal for an extended weekend celebration and a true vacation experience for family and friends.

BALLROOMS

With its expansive arched windows, grand staircase, towering Greek Ionic columns, and glittering chandeliers, the **Crystal Room** is the perfect setting for memorable wedding celebrations. The Crystal Ballroom can accommodate up to 300 guests for a cocktail reception. Paired with the Empire Room, it makes for a perfect reception/dinner venue.

The **Grand Ballroom** comfortably seats 800 guests for a banquet. Understated elegance distinguishes the Grand Ballroom, which was built in 2001 but features many of the architectural details from the original hotel, including 22-foot coffered ceilings, pendant lights, and an ample dance floor. The adjacent sunlit foyer is the perfect pre-function space in which to host your cocktail hour.

BEAUTIFUL EVENT SPACES

The Dining Room transforms into a spectacular wedding venue, perfectly suited for recreating the elegance of a bygone era. Grand columns rise up to support custom chandeliers and a domed ceiling. The oak dance floor and built-in bandstand practically call out to your guests to join in the celebration.

Memorable summer weddings begin on the Casino Lawn.

Nestled between the east and west wings of the hotel and poised directly under the iconic homestead tower, the Casino Lawn accommodates everything from intimate gatherings to splendid affairs with equal ease. Make a grand entrance from the sweeping staircase across the meticulously manicured grounds, and exchange your vows under the crescent-shaped pergola with the Allegheny Mountains as your witness.
