LOCAL FLAVOR

- Florida is one of the most visited states in the US — America's Vacationland. So when it comes to Florida's food, anything a tourist can imagine can generally be found. From Gulf Coast and Atlantic Ocean Seafood to Mediterranean, Caribbean and Southern Cuisine. It is a melting pot of flavors.
- Ten Iconic foods you must try in Florida- Dole Whip Frozen Pineapple Treat, Key Lime Pie, Stone Crabs, Cuban Sandwich, Fried Gator Bites, Citrus, Conch, Grouper and Snapper.
- The Florida Strawberry Festival is an annual event that takes place in Plant City, Florida. It was started in 1930 by the local Lions Club, a local philanthropy club dedicated to bettering the community, after several attempts by locals in the previous 20 years to promote the local strawberry crop. Beginning in 1929, the Lions Club worked to plan the festival honoring King Strawberry, the champion of the area's agricultural products.

DID YOU KNOW...?

- Charles Feltman, a German-American Baker, invented the hot dog at Coney Island around 1867.
- The average American kid will eat 1,500 peanut butter & jelly sandwiches before graduating high school.
- The average strawberry has about 200 seeds on it. Each seed that grows into a plant can produce about 24 large strawberries every year.
- Popcorn explodes because each kernel has a perfect drop of water inside it. Your microwave quickly raises that water to the steaming point, and the pressure of the steam rips open the hull and inflates the starchy mush inside.
- Ripe cranberries will bounce like rubber balls.
