This promotion cannot be combined with any other offer or discount, is based upon availability and may be discontinued at any time. Should a contracted group under this offer cancel or change dates outside of 2026, the OFFER may not transfer with the new dates. Audio-visual discount applies when using Pinnacle Live as the exclusive provider and for equipment that is owned, in stock and available. Discount does not apply to labor, sub-rental items, service charge or tax. General Session Internet may not exceed the number of guests for the group's peak room commitment with standard bandwidth. Bandwidth for Individual User WiFi is 5MG. To receive dinner discounts, two dinners must be contracted and actualized. If Group cancels any of the dinners, the discounts will be revoked. Tax and service charge not included. Rebates will only be applied to rooms and not food and beverage. The 1-hour reception includes the hotel's choice of beer, wine and passed appetizers. This promotion is valid for new bookings at participating Arizona hotels and resorts only. To qualify for double Select Planner credit, events must be booked between August 1, 2025 and November 30, 2026, and take place by December 30, 2026.
