RITUALS

Joya Spa is proud to offer its spa guests Arizona’s only Hammam-inspired luxury spa. For thousands of years, numerous cultures and people around the world have celebrated the healing and transformative power of bathing rituals. For the people of Northern Africa and Moorish Spain, the Hammam gained popularity around the year 600. After the splendor of the Roman Empire receded into the boot of Italy, the architectural remains of their baths inspired a Mediterranean bathing ritual that was a pleasurable, cleansing and social experience.
