

## TEAM BUILDING

Team building activities can help develop trust and understanding across your team. Teamwork is imperative to the success and growth of your group. Prior to your event, we discuss your organization with you to get a better understanding of how you function and what areas you feel you need to focus on. Then we add a little fun and create a memorable event.

## ENCOURAGE TEAM EXPLORATION

# TEAM BUILDING

## BOATYARD WARS

CREATIVE THINKING, FOLLOWING DIRECTION, LEADERSHIP

Are you willing to go down with the ship? Each team is given a supply of cardboard and duct tape. They must devise a plan to build the ultimate seaworthy vessel and sail it from one end of the swimming pool to the other. Teams have the opportunity to "earn" additional items from the junkyard to assist with building their boats during the building process. All aboard for a swashbuckling great time.

2 - 2.5 HOURS

## PHOTO SCAVENGER HUNT

ATTENTION TO DETAIL, TIME MANAGEMENT, FOLLOWING DIRECTION

Explore the resort with this exciting challenge. Supplied with a camera, flash drive and a list of clues, teams must work their way around the property, answering questions and searching for hidden objects and locations. Snap a picture to document your find. Stuck on a clue? Some clues may have additional photo hints in a sealed envelope. Points will be lost for each hint used, but perhaps this is part of your chosen strategy? Event does require time for scores to be tabulated before a winner is announced.

1.5 HOURS

## "CAN-DO" CHALLENGE

CORPORATE SOCIAL RESPONSIBILITY, STRATEGY, OBSERVATION

Teams get to display their "can-do" attitude by creating unique sculptures out of canned food items representing a specific theme. Equipped with the basic supplies, teams can earn extra, unique non-perishable food by correctly answering trivia questions. Teams will earn points for their sculpture by meeting certain specifications. Once totals are in, the winning team will receive the "Team Can-Do Award." All food items will then be donated to the local food bank to help families in need.

2 - 2.5 HOURS

## DOMESTIC DEMOLITION

COMMUNICATION, LEADERSHIP, PROCESSES

Put your construction skills to the test in this exciting challenge. Supplied with only foam board and duct tape, teams must work together to design and construct a house capable of withstanding the neighbors' attack. Once built, teams will take to the field, armed with potatoes and air cannons, to see which structure is most resilient. Teams will be judged on their shooting accuracy, as well as the strength of their structure.

2 - 3 HOURS

## DOMINO EFFECT (CHAIN REACTION)

CRITICAL THINKING, STRESS MANAGEMENT, COLLABORATION

How will dominoes help your productivity and bottom line? This unique activity will test the ability of your teams to interact in small groups, communication and problem solving skills. The biggest challenge will soon become "how do we interface our small part of the project with the larger organization to accomplish the overall objective?" Each team builds a domino run that not only must topple successfully, but must also connect to the next team's display in the entire room. One false step and it's a problem for all.

1.5 - 2 HOURS

## FRUIT AND VEGGIE 500

COMMUNICATION, LEADERSHIP, PROCESSES

Racing with a tasty twist. Equipped with an assortment of fresh fruits, veggies and cutlery, along with a fast set of wheels, teams will be challenged to build a unique race car worthy of even the toughest track. Teams can earn accessories for their cars by correctly answering trivia questions and completing challenges along the way. Once completed, cars will head to the track to race head-to-head against the competition. Cars will be judged on speed, appearance and functionality.

1.5 - 2.5 HOURS

## INNOVATION ALLEY

CREATIVITY, COLLABORATION, INNOVATION

In this exciting challenge, put your team to the test. Supplied with random items, teams must create a new product focused on the needs of your company. Supplies could include duct tape, feather boas, water bottles, cardboard, or craft supplies; the possibilities are endless. Once their product has been created, get ready to sell. Each team will create a 2-minute infomercial which they will present. This challenge includes facilitation, props and supplies to create the team's fictional product. Includes professional videographer to capture the event.

1.5 - 2.5 HOURS

## MINI GOLF MOGUL

LEADERSHIP, STRATEGY, RESOURCE MANAGEMENT

The history of miniature golf may date back to the 1860s when a Ladies Putting Club was built at St. Andrews, Scotland. Today, with your creativity and our putters, teams will create a miniature golf course right here in Bedford, already known for our Old Course found on property. The more intricate the hole, the more points your team will earn. Teams will fabricate bridges, loops, levels, and obstacles of all sorts. Once completed, teams will rotate around the room and play.

1.5 - 2 HOURS

## ARCHERY TAG

COLLABORATION, STRATEGY, OBSERVATION

Put your aim to the test in this dodgeball-style combat challenge. Armed with bows and foam-tipped arrows, take aim at your opponents in a race to knock out the opposing team. Get hit with an arrow and you're out; but don't worry, this action-packed game is virtually pain free.

1 - 3 HOURS

## CARDBOARD CARNIVAL

CREATIVITY, RESOURCE MANAGEMENT, COLLABORATION

Equipped with cardboard, duct tape and a carnival prop, teams will be tasked with designing their own carnival game. Teams can earn additional items from the junkyard and have access to art supplies to decorate their game. Once completed, teams rotate around the room and score each other's games based on design/build, uniqueness and how fun it is to play.

2 HOURS

## ADVENTURE TREK

ATTENTION TO DETAIL, COLLABORATION

In this GPS-based scavenger hunt, teams will travel around the grounds of the hotel, searching for hidden locations, solving puzzles, and completing challenges. This fast-paced and exciting challenge requires teams to work together, implementing a strategy to reach as many locations before time runs out. Points will be awarded for each successfully completed location.

1.5 HOURS

## KIDDO KICKSTARTER

CORPORATE SOCIAL RESPONSIBILITY, STRATEGY, OBSERVATION

This community-service-style scavenger hunt will take teams all over the property. As teams work together to solve clues and puzzles at each location, they earn items to stuff their diaper bags. Once the team has collected all the items on their baby shopping list, they will return to home base to assemble their bags and write notes of congratulations to the new mom. The finished products will then be donated to local organizations.

2 HOURS

## BUILD-A-BIKE

CORPORATE SOCIAL RESPONSIBILITY, ASSET MANAGEMENT

Teams start with basic tools and bicycle parts, but realize they do not have everything to build a functioning bike. Together the team will need to problem solve, negotiate with other teams and complete challenges. Teams will also be tasked with creating a program to teach children bicycle safety. Finally, the teams will accessorize the new bikes for local donation.
