This is not a transactional spa experience but a destination unto itself—a place where delegates detox from meeting fatigue, reconnect with themselves, and return to sessions recharged.

ARE YOU READY  
TO MEET THE *moment?*

---

With the area's newest and best event spaces, gatherings at Omni Pontoque transcend convention. 18,670 square feet of naturally-lit indoor event space allows planners to command the scale and flow to host executive retreats, multi-track conferences, gala celebrations, and intimate dinners—often on the same day. Ballrooms convert into breakout salons and open onto seafront lawns for hosting receptions. Pavilions shelter evening events beneath open skies. The beach itself becomes your VIP lounge.

A VENUE THAT SETS  
A NEW *standard*

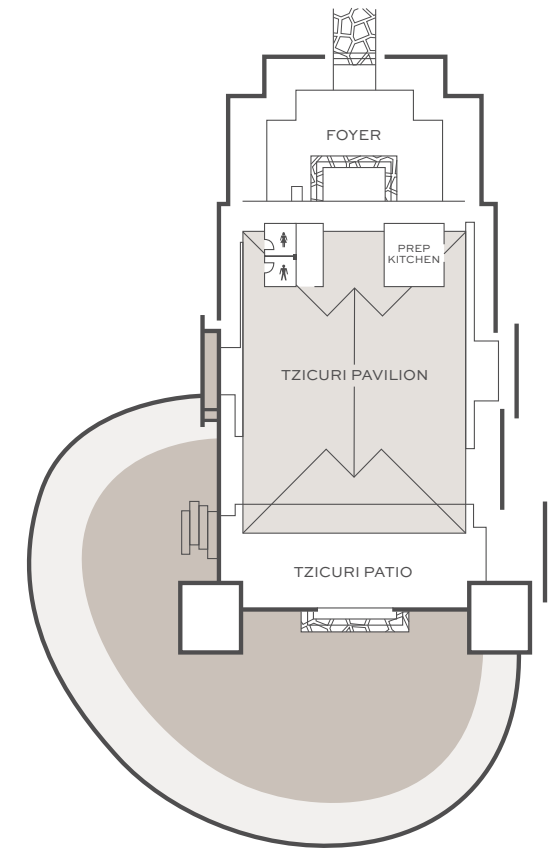

---

8,625 sq. ft. of outdoor event venues—including oceanfront lawns, covered pavilions, and pool-adjacent terraces—offer the option for parallel programming, intimate receptions, and the irreplaceable value of al fresco gatherings framed by ocean and mountain. The 1,250 ft white-sand beach serves not as decoration but as an active extension of your event design: teambuilding on the sand, oceanfront cocktail hours, sunrise yoga sessions, or simply the psychological reset that comes from stepping away from meeting rooms into the genuine Pacific breeze.
