WEDDING PRICE GUIDE

MAKE YOUR WEDDING AMAZING

It's always the details that make an event an unforgettable experience. Once you have chosen the perfect space for your event, the atmosphere you create in it is just as important as the menu, flowers and choice of music. We offer a variety of special lighting packages to enhance the mood at your event. For example, pin spotting brings focus to your table centerpieces. LED accent lighting highlights the architectural features of the room to add another layer of elegance to the space. You can add a cutting-edge yet elegant video backdrop for your slideshow or video with a Video Projection Package in conjunction with a Spandex projection screen. We can combine any or all of the elements listed below and would be happy to assist in implementing any additional ideas you have to make your event one to truly be remembered.

SPLASH OF COLOR is available with **PACKAGES STARTING AT \$1,500 BASED ON TWENTY TABLES.**

LED ACCENT LIGHTING PACKAGES can delicately highlight the architectural elements of your room to really set the mood. **PACKAGES ARE AVAILABLE IN ALL SPACES STARTING AT \$500 BASED ON 8 UNITS AND A CONTROLLER.**

CUSTOM GOBO PACKAGES ARE AVAILABLE STARTING AT \$300 PLUS THE COST OF THE GOBO. Pricing varies depending on design, lights used and delivery date. You are encouraged to order early.

DANCE FLOOR LIGHTING PACKAGES with robotic fixtures can put almost anyone in a dancing mood. **PACKAGES STARTING AT \$2,500.**

VIDEO PROJECTION PACKAGES START AS LOW AS \$950. Ask your Encore representative how you can avoid the eye sore of a standard screen with the use of Spandex projection surfaces.

THE COMPLETE PACKAGE includes Pin Spotting tables, a twelve fixture LED Accent Lighting Package, Dance Floor coverage via four robotic fixtures and a Fast-fold Screen with Projector for video playback of your slide module or video. Available upgrades include Spandex Screens with P&D backdrop and the addition of Gobos. **THE COMPLETE PACKAGE AS STATED IS \$12,500.**
