Staircase with peeling paint

Light fixture on ceiling

Airy room with a high ceiling and large windows, but unfinished

Views of a large loft space, about 30 feet by 100 feet with 20-foot ceilings

Time lapse of a crew of workmen in the space

Setting up and moving scaffolding

Welding

Sanding and sawing

Painting around window frames

Drilling

Gilding the edges of an ornate molding in the ceiling

Measuring and spray-painting

Spraying varnish on the ceiling

Screwing in light bulbs

Operating a crank to elevate heavy chandeliers to the ceiling

Turning on the chandeliers

Painting a smaller room

Covering and uncovering areas of the floor and walls with tarps

Installing carpets in the large loft space

Finished room. Under warm lighting, the windows offer a panoramic view of the sun setting over the city

The chandeliers look like large snowflakes

The smaller room is a finished bar and lounge with gleaming floors

The molding shines silver
