## the art of breakfast.

Omni Hotels believes that breakfast should be a stimulating and healthy start to your day. So we are committed to providing a culinary experience that tempts your palate and challenges the traditional breakfast fare. Combining national trends with regional flavors we have sourced cage-free eggs, organic fiber rich cereals, steel cut oats, gluten-free breakfast breads and our signature blueberry maple sausage patty that does not contain hormones or other additives. Our morning tea features whole-leaf tea and rough cut herbs. And we take great pride in our coffee which is directly sourced from the farmers and roasted with the highest standards. Welcome to the Art of Breakfast.....
