OUR RESORT POOL

The pool complex at Omni Shoreham Hotel is surrounded by manicured, landscaped gardens. These lush gardens are entwined with walking paths so you can fully enjoy their beauty. Nestled in these gardens, you will find our uniquely sculptured, heated pool with lap lanes, heated children's pool and hot tub.

The pool deck is furnished with tables, lounge chairs and a dining area. The Club also provides towel service and locker rooms with all the amenities. Add to that a professional, well-trained staff that is eager to please, and you have a program unmatched in Washington D.C.
