Select Guest rewards guests on their first stay with complimentary in-room Wi-Fi and the opportunity to earn free nights. Additional benefits are available with each new stay — pressings, shoe shine, one of three beverage options and so much more.

Select Planner is the newest way to earn in Omni’s Select Guest loyalty program. Members can earn award and tier credits immediately upon signing a group booking, allowing the planner to earn free nights faster and offering an accelerated path to elite-level status.

Omni Hotels & Resorts was the first hotel brand to provide guests complimentary wireless Internet access in the privacy and comfort of their guest room. Today, Omni has given this unique benefit to members of our Select Guest loyalty program. Guests can sign up for the program and enjoy complimentary Wi-Fi with their first stay.

The Omni Junior Chef kids program caters to Omni Hotels & Resorts’ youngest guests. Upon check-in, children age 10 or younger receive a complimentary Omni Junior Chef tote complete with an activity book, pack of crayons, Say Goodnight to Hunger postcard, Annie’s Organic Bunny Graham Friends Mix, Honest Kids Organic Juice Drink, and a Say Goodnight to Hunger bracelet. Children are instructed to decorate their Say Goodnight to Hunger postcard and turn it in to the front desk to donate a meal to Feeding America. Kids also receive a custom Omni Junior Chef kids’ menu, plus custom Omni Junior Chef logoed crayons and specialty cup. Hotels in New Hampshire, Texas and Boston also offer Kids’ Fantasy Suites, featuring kids’ bedding, bean bag chairs, an art table, books, games, and toys, plus a connecting room for the parents.

Omni Hotels & Resorts offers culinary experiences that rank among the best and have been recognized by leading food, travel and lifestyle publications. Since its launch in 2017, the Omni Originals culinary series has given our food and beverage teams the opportunity to surprise and delight guests’ palates through innovative dishes and cocktails. As part of the series, properties from across the country feature themed food and beverage programming throughout the year that showcases regional culinary talent and speaks to timely trends. Past programs include Season of Smoke, where our chefs used a variety of smoking methods for creative takes on classic dishes; Splash of Spritz, a seasonal menu featuring sparkling beverages and inspired food pairings; and Omni Cocoa Express, a festive list of regionally inspired hot cocoas and signature cookie pairings, embracing the whimsy of the holiday season. Additionally, every other year, a new “Flavors of the World” experience is created to provide guests authentic international cuisine. In the past, Omni Hotels & Resorts has given guests a chance to enjoy flavors from Spain, Chile, Italy, Argentina, France and Washington State, among others.
ENVIRONMENTAL STEWARDSHIP

Omni Hotels & Resorts is doing its part, along with others, to sustain a healthy balance of natural resources in the world. Omni has developed a thoughtful and responsible plan, which is helping to ensure that future generations will have abundant resources to enjoy. As an innovative community partner, Omni is leading by example — showing local communities what corporate social responsibility should look like. At the same time, Omni remains focused on providing guests with the luxury experiences they expect. Omni wants guests to be aware of, and take part in, the simple and practical actions the company undertakes to help sustain valuable resources.

DIVERSITY COMMITMENT

The mission of Omni’s Diversity, Equity, and Inclusion (DEI) council is to influence an environment that values diversity of life experiences and perspectives, leads and manages an inclusive workforce, attracts the best talent, and supports supplier diversity. We are committed to ensuring equal access to opportunities for professional growth and advancement and developing cultural competence and responsiveness.
Since launching the Say Goodnight to Hunger program in June 2016, Omni Hotels & Resorts has made a donation to Feeding America® that provides a meal for every booking made. In three years, more than 20 million meals have been donated to help Feeding America provide nutritious meals for food banks to feed children, families and seniors in communities across the United States. All of our 51 Omni properties are actively participating by supporting food banks and pantries in their local communities where they live, work and play.

More than 40 million Americans live with limited or uncertain availability of nutritionally adequate and safe food, including 12 million children. One in eight Americans relies on food banks to feed themselves and their families. To help combat this national problem, Omni Hotels & Resorts is partnering with Feeding America, a nationwide network of 200 food banks that provides food and services to more than 46 million people annually, to make a meaningful impact in communities across the country.

Omni is committed to helping the local communities in which we are located, so these donations will directly benefit food banks in the 42 communities where Omni Hotels & Resorts’ 51 properties operate. For each completed stay at any participating Omni, regardless of how the reservation is made, Omni will donate a meal to a family in need.

Through this program, Omni hopes to Say Goodnight to Hunger for good.
As the Official Hotel Partner of the PGA TOUR®, Omni Hotels & Resorts will help provide four meals for a family in need for every birdie-or-better made during each PGA TOUR event. The meals will be donated through the local Feeding America food bank in each tournament’s home city in the United States. On average, more than 60,000 birdies and eagles are recorded annually on TOUR. To date, more than 790,000 meals have been donated to the local food banks in each TOUR city.
